About The Sets...Except Where Noted All Sets Letter One Car. All Artwork Is Based On Prototype Photographs. Official Railroad Lettering Diagrams, When Available, Are Also Used In Conjunction With The Photograph.  
If There Is A Conflict, The Photograph Is Followed.  
Your Prototype Information, Photographs, Comments And Suggestions Are Very Welcome.

Sets Contain Extra Pre-Spaced Road Numbers And End Numbers For Your Convenience In Lettering More Than One Car, These Extra Pre-Spaced Numbers Always Contain All 10 Digits. Some Sets Have An Additional Number Jumble For Both Sizes. Illustrations, Although Representative Of The Actual Equipment To Be Lettered, Should Only Be Used As A Guide For The Placement Of Lettering, Not For Construction Or Detailing Of The Model. Sets Contain Extra "Generic" Markings. Many Prototype Cars Went Through Many Re-Stenciling Stages, And These Extra Markings May Help You Match A Particular Photo You Are Working From. Do Not Be Obligated To Use Them.

Sets Are Produced In Small, Carefully Produced Runs. Availability Of Any Given Set, Although Listed, Is Not Guaranteed. No Back-Orders, Refunds Are Included With Shipment.

Your Satisfaction Is Guaranteed. If, For Any Reason You Are Not Pleased With The Dry Transfers You Receive, Please Return Them For A Full Refund Or Exchange. If You Or The Transfers Just Mess Up, Replacements Are Free Of Charge For The Asking. I Want You To Have Excellent Models, Not Frustration.

To Order...  
Sets Are Numbered With Three Sections:  
1) The Railroad Initials  
2) The Scale  
3) Set Number.  
Please Include All Three When Ordering.
